

CAPABILITY STATEMENT

Company Overview

Brite Ideas Project Consulting LLC is a Woman Owned Small Business (WOSB) that specializes in providing project scheduling and project controls support to the construction and development industry. We are based in Palmer, Alaska, providing services within Alaska and remotely across the US. We are highly skilled at creating critical path construction schedules that meet federal specifications and scheduling best practices.

Core Competencies

- Scheduling in Primavera P6 & MS Project
- Critical Path Development & Monitoring
- Baseline Controls
- Earned Value Reporting
- Change Order Review
- Time Impact Analysis
- Enterprise Resource Leveling
- Scheduling Guidance & Troubleshooting

Past Performance

Brite Niezek, Owner & Primary Consultant of Brite Ideas Project Consulting, is an expert scheduler offering a comprehensive skill set that spans the entire project lifecycle. She has an MS in Construction Management and 20+ years of hands-on experience in scheduling, construction management, and contract administration. With a proven track record of supporting construction and IT projects ranging from \$1 Million to \$600 Million Dollars, she offers unparalleled expertise in planning, scheduling, and monitoring, successful construction projects.

Differentiators

Brite Ideas Project Consulting offers highly competitive hourly rates without the mark-up associated with larger consultancies. As a small business, we offer flexible terms and the ability to provide personalized support to your project.

Focus Areas

- Engineering, Procurement & Construction
- Project Management
- Project Controls
- Schedule Quality Assurance

Regional Areas

Alaska, and all other areas of the United States.
